

NOTICE OF PUBLIC MEETING

for

NEW CANADA ROAD

**FROM STATE ROUTE 1 (U.S. HIGHWAY 70)
TO INTERSTATE 40**

**APRIL 7, 2011
4:00 p.m. to 6:00 p.m.**

At

**BOARD OF COMMISSIONERS MEETING ROOM
LAKELAND CITY HALL
10001 U.S. HIGHWAY 70, LAKELAND, TENNESSEE**

The City of Lakeland, in coordination with the Tennessee Department of Transportation (TDOT), is proposing to realign Canada Road from State Route 1 (U.S. Highway 70) to Interstate 40 in Lakeland, Shelby County, Tennessee. The primary purpose of this project is to improve the major road connection between SR-1 and I-40 for enhanced regional and local transportation mobility. The proposed project involves providing a 4-lane divided roadway through the corridor.

The NEPA process determined the project will not involve significant impacts to planned growth, land use, or existing travel patterns; and is therefore classified as a Categorical Exclusion under the provision of 23 CFR, 771.117(d). The hearing will begin with a formal presentation of the project and the findings from the NEPA process followed by an opportunity to view preliminary sketches, and a question and answer period. The public is invited to use this opportunity to express their opinions concerning this project as part of the public record or if they prefer to make comments directly to the court reporter. Interested persons may arrive at any time within this two-hour period. Representatives from the City of Lakeland and TDOT will be present to provide information relative to the general location, major design features, the social, economic, environmental, and/or other effects of the planned project, the relocation assistance program, the tentative schedules for right-of-way acquisition, construction, and any other matters of public interest.
